### **Club Matters – Club Mark ID Numbers**

Clubmark are now allocating all Clubmark clubs with a unique ID number / reference number which is automatically generated by Club Matters. This ID number will remain with the club for its lifetime on Club Matters and Clubmark will use this number to locate a club in any communication / queries with England Netball or the club direct.. The Clubmark ID number will now replace the use of Clubmark URNs which were previously generated by individual NGBs and CSPs.

These new ID numbers will be uploaded on to the Club Matters website. We would encourage all clubs to familiarise themselves with Club Matters by searching for their Clubmark ID number.

### Netball at Willows Sports Centre, Derby

Willows Sports Centre has had a fantastic month with netball; hosting more than 100 teams per week and introducing a new traditional 7 aside league recently, the sport is going from strength to strength.

Our new traditional 7 aside league is played on Thursday evenings with all games scheduled between 6pm and 8pm. The league currently runs on a 6 team format however, there is space for 2 more teams to join the fun!

Our fast paced 5 aside league on a Wednesday is due to begin a new season in the next few weeks. We are looking for 3 more teams to come along and try our hugely enjoyed format of the sport. With continuous play and more court area covered in each position; this format is great for all standards of player.

If, like us, you are crazy about netball; come and join us for your summer season!

Should taking a walk on the mild side be more to your taste; then join us on Friday morning's for our Walking Netball session! The session takes place every Friday from 11am - 12pm. Walk this way and meet new people.
