Membership – information for Affiliation Secretaries

Secretaries – when affiliating your players ready for the new season, please use individual email addresses on MyNet. This will allow every member of your club to receive the Eblast and any other emails sent out from the Region or England Netball, if they opt to receive the items. We receive feedback about events saying 'we didn't know it was happening', so by changing the way you affiliate your players, could hopefully help with 'spreading the word' of what courses, tournaments, leagues, workshops, events etc are happening in and around counties.

All affiliation forms are now live on our website: [Membership Forms 2016/2017](#)

This ID number will remain with the club for its lifetime on Club Matters and Clubmark will use this number to locate a club in any communication / queries with England Netball or the club direct.. The Clubmark ID number will now replace the use of Clubmark URNs which were previously generated by individual NGBs and CSPs. These new ID numbers will be uploaded on to the Club Matters website.
