Volunteering

Pass On Your Passion!

Pass on Your Passion (POYP) is a reward and recognition scheme for young leaders aged 12-25 designed to acknowledge the incredible work undertaken by our sport's young volunteers. Within the East Midlands we have over 70 young leaders doing incredible work for our netball family. Recently one of our young leaders has surpassed 400 hours!

SPOTLIGHT: GEORGIA WALMSLEY

What volunteering have you been involved in?

- Assisting with coaching my team
- Coaching aspire a development team
- Managing the under 12 team and supporting them at games
- umpiring local games
- Helped out at an annual boot camp coaching
- Fundraising

Why did you want to start volunteering?

I have been so lucky playing netball that I was given so many opportunities to develop and play a sport I love, but I was only able to do this because of the coaches time so I wanted to give something back to the sport. Being able to coach and support the younger girls coming through having experienced all this myself is what I really enjoy.

What have you enjoyed about the POYP scheme?

Being able to record my hours as I went along and being rewarded for them encouraged me to reach the next level each time. I never thought I would get to 400 hours but as time went on I realised how I could do this and it spurred me on. During lockdown I had to look at different ideas. I helped out with some of the admin for covid changes. Then with help of my coach, Vanessa McErlain Naylor, I helped out at some of the online sessions doing sessions that could be done in small spaces

I managed to complete my 400 hours, my umpiring C Award and my level 1 coaching in 2021 and I am enjoying being part of the netball team in different ways than just playing. I am now looking forward to gaining more experience at my umpiring and I am doing the b award course soon and Also when I am 18 completing my level 2 coaching so I can continue to help at club

Ashby Netball Club win local award!

Congratulations to Ashby Netball Club on being awarded Club of the Year at the North West Leicestershire Sport and Health Awards in December!

Lincoln Walking Netball relaunched!

Wednesday 12th January saw the relaunch of the Lincoln Walking Netball session thanks to the Tackling Inequalities Fund. Three past members were able to access bursaries to become Walking Netball Hosts to restart the program in Lincoln. Seventeen ladies have joined the program since it restarted.

Lutterworth Robins charity netball match

By Rachael Lee

On October 30th, Lutterworth Robins Netball club and Head Coach Vanessa Gatrell supported an annual charity netball match against the partners, husbands and brothers of the club players. It was agreed that the funds raised this year were to be split between the Laura Hyde Foundation, which club member Sophie Chaloner has been supporting and raising awareness as well as funds for over the year and also to support one of the club members Georgia Clarke to complete her Level 2 Coaching course. We had a fantastic response from the club members and their male counterparts and were able to have 4 matches raising a total of £165. All involved had such fun playing the games and the sun even shone for us enabling us to play outdoors. The Charity title was lifted by the boys this year as they won 2 games, drew one and lost one.

Swadlincote Netball Club

By Deanna Hiorns

Due to increasing numbers and the uptake of U18 members, Swadlincote Netball Club celebrated the Christmas festivities across two fantastic fun filled events. The first being bowling at Hollywood Bowl in Derby, where we saw a total of 27 club members old and new dressed in Christmas jumpers and hats take to the lanes for some fun and food. There were strikes, spares and some total misses! Keeping the competitive streak alive there was a trophy to the winning team who scored a team total of 1,370 points across two games. Later in December the club held its annual Christmas Party, this year's theme was 'Shake, Rattle 'N' Roll' hosted at St George's Park. 33 of our ladies dressed to impress, enjoying an unforgettable three course dinner, roulette tables and dancing the night away on the dance floor. Our aim across the two events was to be truly inclusive allowing all members including our U18's to participate in our Christmas celebrations. It's safe to say Swadlincote Netball Club celebrated in style enjoying the ability to spend quality time together off the court, especially after all the Covid restrictions in the previous year.

Wellingborough Netball League Christmas!

By Chloe Mortimer

On Thursday 9th December, Wellingborough Netball League spread some Christmas cheer for the last fixture of the year with a festive night. Our teams and umpires ditched their usual netball attire and showcased their festive outfits for the evening; we had a forest of Christmas Trees, Mrs Santa Claus herself, some cheeky elves and lots more! As a special treat, our WNL committee elves hand-delivered Christmas stockings to

each team to thank them for their support over the past couple of months. We also managed to go back in time to 2019-20 season, to finally present league awards to the winning teams as unfortunately Covid cancelled last year's celebrations. !

Passing of Sue Pacey

The region is said to share the news that Sue Pacey, from Bridgford Netball Club and also, until recently, the Nottinghamshire County Netball Association's Treasurer, sadly passed away on Sunday 19th December. Sue was a committed player, umpire and committee member and she will be sadly missed by everyone in the netball community.

The family have asked that any donations in Sue's memory be made to support Cancer research UK [here](#).

Brasher's Babes

By Mary Yardley

In October 2021 the Brasher's Babes Netball Group (formerly Derby Arena Walking Netball), celebrated its oldest members 80th Birthday. Barbara, who is an inspiration to us all was given cards and a lovely Autumn planter.

On 25th November 2021, Brasher's Babes enjoyed a delicious Christmas meal at the Bluebell Inn, South Wingfield, Derbyshire. Secret Santas were distributed and the Babes presented Pauline and Mary with flowers, prosecco and chocolates as a thank-you. A great time was had by all.

News around the counties

From tiny acorns, do mighty sirens grow.

By Donna Jordan

Twelve years ago Constance Xavier, now a retired police officer, set up a Nottinghamshire Police netball team, and the Nottinghamshire Sirens was born.

What followed has engendered success in many leagues, including regional and locally, and the formation of a genuine, welcoming and supportive club.

Fast forward to 2021, after years of graft, players coming and going, and a return to netball after the pandemic, and a weekend in September saw two teams - Blacks and Greens head to Norfolk for the latest PSUK tournament. Two full days of netball saw the Green team hold strong in the bronze section, finishing 5th overall. Meanwhile on a different court, the Blacks went from strength to strength, winning all but one match, and lining themselves up for a final in the Gold league against the hosts, Norfolk. A hard-fought match on a sunny Sunday afternoon saw the long-awaited victory come home.

Winning 14-4, the Blacks were outstanding across the court, fighting for every ball, defending across every position and working tirelessly to protect the ball and score those precious goals. And finally that elusive title of PSUK Gold champions returned home to Nottinghamshire.

PC Georgie Gallagher, who captained the Black squad, said: "It was a brilliant weekend that ended in us coming home with the trophy, after beating the hosts. The support from the whole squad who were there cheering us on was fantastic, and everyone played their part. After a difficult 18 months of no netball and then rule changes due to covid, everyone played so well. Over the years we've come close a few times, which is why we're so pleased that finally we are PSUK champions!"

Connie Xavier said: "I'm so proud of both teams, and finally seeing us get our hands on that trophy. This club is something special; it's a social, welcoming and wonderful club with everyone supporting each other and, helping to bring people on.

"The whole weekend was a mix of fun, friendship and sport, and I'm so pleased that I pushed for us to set up Sirens as a club, and for results that we are now continuing to see. From little acorns do mighty sirens grow, and we'll no doubt carry on our success."

See you again soon Sara Francis-Bayman!

In November, Lightning announced that Head Coach and Director of Netball, Sara Francis-Bayman would take a temporary leave of absence for the upcoming season. She will head to Australia to spend time with her new wife Stacey Francis-Bayman who competes for West Coast Fever in the Suncorp Super Netball League.

"It seems like a strange time to leave after winning our first championship, but it's time for me to prioritise things other than netball"

Victoria Burgess, assistant coach and head of the performance pathway programme, has since stepped up into the role. We wish Victoria and the team the best of luck defending their superleague title!
